Host video

Start meetings with host video on

Participants video

Start meetings with participant video on. Participants can change this during the meeting.

Audio Type

Determine how participants can join the audio portion of the meeting. When joining audio, you can let them choose to use their computer microphone/speaker or use a telephone. You can also limit them to just one of those audio types. If you have 3rd party audio enabled, you can require that all participants follow the instructions you provide for using non-Zoom
